JOE HILL PRESENTS HILL HOUSE COMICS

WELCOME TO HILL HOUSE COMICS!

Joe Hill, the horror mastermind behind *NOS4A2* and *Locke & Key* has arrived at DC to curate his own pop-up line of cutting-edge horror comics! Starting in October, Hill House Comics will terrify readers with a smart, subversive and scary lineup of five original series that continue DC's history of horror from HOUSE OF SECRETS to THE SANDMAN and beyond!

"At Hill House Comics we aim to shock the senses and soak the page in red, with new, hooky horror from seasoned old hands and young masters of the field, all set free to share their most disturbing nightmares...for your pleasure! The books are backed by DC's second-to-none comic book craftsmanship, and we're working with the very best editors on parole from Arkham Asylum to craft unputdownable tales of menace and madness," Hill said. "I can't wait to share some fresh scares with comic book readers everywhere. It's going to be fun."

Hill House Comics debuts on October 30 with **BASKETFUL OF HEADS #1,** written by Hill and illustrated by Leomacs. The chills continue in the following months with THE LOW, LOW WOODS, THE DOLLHOUSE FAMILY, DAPHNE BYRNE and PLUNGE, spotlighting the work of some of the biggest names in horror storytelling.

Plus, every issue of each Hill House Comics series will include the serialized backup story "Sea Dogs," written by Hill and chronicling three werewolves terrorizing a crew of sailors at sea.

"We're so happy to welcome Joe Hill to DC, and to partner with him on this new specialty line of creator-owned horror books," DC publisher Dan DiDio said. "Horror has been such an integral part of DC's history and it's a tradition we want to see revitalized. As a lifetime fan of horror, I know fans are going to be so excited when these books hit shelves. I can't wait."

HERE ARE THE TITLES COMING SOON FROM HILL HOUSE COMICS:

BASKETFUL OF HEADS #1

written by **JOE HILL**

art by **LEOMACS**

backup story art by **CREDIT**

cover by **REIKO MURAKAMI**

card stock variant cover by **JOSHUA MIDDLETON**

The rain lashes the grassy dunes of Brody Island, and seagulls scream above the bay. A slender figure in a raincoat carries a large wicker basket, which looks like it might be full of melons...covered by a bloodstained scrap of the American flag.

This is the story of June Branch, a young woman trapped with four cunning criminals who have snatched her boyfriend for deranged reasons of their own. Now she must fight for her life with the help of an impossible 8th-century Viking axe that can pass through a man's neck in a single swipe–and leave the severed head still conscious and capable of supernatural speech.

Each disembodied head has a malevolent story of its own to tell, and it isn't long before June finds herself in a desperate struggle to hack through their lies and manipulations...racing to save the man she loves before time runs out.

Plus, in the premiere chapter of the backup story "Sea Dogs," which sails across all the Hill House Comics titles!

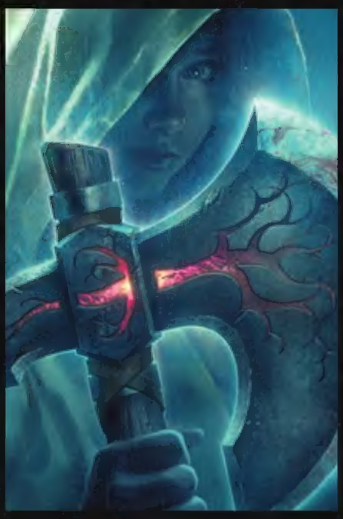
JOE HILL TALKS HILL HOUSE COMICS AND *BASKETFUL OF HEADS*

Joe, what makes BASKETFUL OF HEADS the right series to kick off Hill House Comics and set the tone for the line?

I've had the idea for BASKETFUL OF HEADS kicking around in the back of my mind for almost a decade. I even took a pass at the first script in 2011 or thereabouts, but it needed more time to brew. My subconscious stayed busy with it, apparently–the first four issues practically wrote themselves.

I wanted our first title to be insane, WTF, relentless reading: to script something that would blast along like an 18-wheeler going downhill with no brakes. These days, there's so much entertainment out there, there's so much distraction–if you want to cut through the noise, you've got to come out with guns blazing. You have to do your best to deliver something that'll keep the reader flying through the pages.



variant cover

What can you share about the main character, June Branch, and how she navigates the truly unconventional situation she finds herself in?

If writing BASKETFUL OF HEADS has been a lot of fun, it's probably because I so like spending time with June. She's bright and sunny and open–someone we can love, someone we can root for–who also happens to be as flexible and sharp as a fencing blade. Her beloved, Liam Ellsworth, is snatched away by a gang of desperate men, for reasons she doesn't understand. She finds herself pursuing them with an eerie, occult axe and her own unique understanding of human nature. I won't say which I think is the more valuable asset.

Leomacs may not be familiar to a lot of DC fans–what's it like working with him bringing this story to life?

I'm so lucky to be working with this guy. Leomacs gets that even though this is a dark, suspenseful story, we're also setting out to have some good, gory, stomach-turning fun. He brings an anarchic, subversive energy to every panel. It's everything I was hoping for, and then some. I really wanted to tell a tale that was tense, funny, and unrepentantly grotesque–think of films like *Re-Animator* and *Evil Dead 2*. Tense, funny and unrepentantly grotesque is Leomacs' sweet spot.

Let's talk "Sea Dogs": the phrase "patriotic werewolves" is certainly intriguing. What makes the Revolutionary War and lycanthropy a good match?

Well of course there's one big connection between "Sea Dogs" and BASKETFUL OF HEA–oops, forgot I wasn't going to talk about that stuff.

I read a lot of historical fiction and have had an urge to dip my toe into the genre for a long time. I also have sort of intense feelings about Hal Foster's *Prince Valiant* and love the idea of a backup feature in Hill House Comics that operates along some of the same lines. It's like a big, old-fashioned Sunday strip.

The other thing about "Sea Dogs" is that I've always sort of had a yen to write the story of the Demeter, the ship in *Dracula* that carried the count from Transylvania to England. By the time it reached English waters, everyone on board had been sucked dry–he slaughtered the entire crew. But weirdly, it all happens off-screen. The most thrilling part of the whole novel is only hinted at. How weird is that? "Sea Dogs" is a chance to explore a similar sort of narrative, but on a big canvas, and in home waters.

YEAR OF THE VILLAIN • DOOM RISING

YEAR OF THE VILLAIN ERUPTS WITH "EVIL UNLEASHED"!

Darkness falls across the DC Universe! October brings "Doom Rising," the next chapter of DC's Year of the Villain event. As the super-villain onslaught rages, day will turn to night, and–in the boiling black clouds overhead–cosmic judgment will be passed! A shared-universe incident heralds the twilight of the heroic age and will literally brand the skies with doom!

Insidious secrets teased in July's "The Offer" were revealed as August's "Dark Gifts." Those "gifts" were put to use in September's "Evil Unleashed." Orchestrated by Lex Luthor, the Year of the Villain reaches a tipping point with October's "Doom Rising": the scales of justice have been corrupted, doom is winning, the end is nigh!

"Doom Rising" plays out through October with "Fallen Icon" covers across a variety of titles, showing DC's superheroes at their lowest points. Additionally, new one-shots spotlight some of DC's premier antagonists and their Year of the Villain exploits: BLACK ADAM: YEAR OF THE VILLAIN #1 and THE JOKER: YEAR OF THE VILLAIN #1–which is co-written by film legend John Carpenter and Anthony Burch, showing just how bad The Joker can get when the whole world has been overtaken by villainy!

ACETATE COVERS ADVANCE SOLICITED FOR NOVEMBER ON-SALE AT NO EXTRA COST!

In November, the bad guys win! The Year of the Villain reaches its next deadly phase with "Hostile Takeover" as the heroes of the DC Universe are defeated by their greatest foes.

The triumph of evil is with a series of two-layer acetate covers in November–ACTION COMICS is taken over by Lex Luthor and JUSTICE LEAGUE by the Legion of Doom, for example. The top acetate layer of the cover features the villains' "Hostile Takeover" of the book's title, showing off their newly empowered status. The second layer will reflect the events that led to the hero's defeat.

All of November's acetate covers are offered at their regular cover price of $3.99!

BIRDS OF PREY #1

written by **BRIAN AZZARELLO**

art and cover by
EMANUELA LUPACCHINO and RAY McCARTHY

card stock variant cover by
J. SCOTT CAMPBELL

blank variant cover

Black Canary's life has spiraled out of control: her personal life is going through the ringer and her band is in crisis when an old flame resurfaces only to flicker out and set her on an all-new mission against an all-new opponent. The only thing she can be grateful for is the fact that she's not alone, as Huntress finds herself on a collision course with Black Canary's quarry at Detective Montoya's urging. Meanwhile, Harley Quinn has resurfaced outside of Gotham City and out of the Suicide Squad, with a new lease on life that is sure to make everyone else's life more complicated. And that's only the first five pages.

Needless to say, the Birds are back in town! With more pressure and higher stakes than they have ever faced before, brought to you by hard-boiled superstar writer Brian Azzarello and the bombshell art team of Emanuela Lupacchino and Ray McCarthy.

JOKER/HARLEY:
criminal sanity

JOKER/HARLEY: CRIMINAL SANITY #1

written by **KAMI GARCIA**
art by **MICO SUAYAN and MIKE MAYHEW**
cover by **FRANCESCO MATTINA**
variant cover by **MIKE MAYHEW**
variant cover by **MICO SUAYAN**

In Gotham City, where heinous acts of violence are a daily occurrence, the GCPD relies on Harley Quinn, a young forensic psychiatrist and profiler, to consult on their toughest cases. But Harley is haunted by one unsolved case–the night she discovered her roommate's body marked with the signature of a notorious serial killer known as The Joker.

Five years later, the case remains unsolved and a new series of horrific murders occur throughout the city. As the murders escalate, Harley's obsession with finding the depraved psychopath responsible leads her down a dangerous path. When the past and the present finally collide, Harley has to decide how far she is willing to go–and how many lines she is willing to cross–to solve these cases once and for all.

Written by #1 *New York Times* and international bestselling author Kami Garcia (co-author of *Beautiful Creatures*, author of *Unbreakable* and *X-Files: Agents of Chaos*) with art by Mico Suayan (*Bloodshot: Reborn*) and Mike Mayhew (*The Star Wars*), JOKER/HARLEY: CRIMINAL SANITY introduces readers to a Joker and Harley Quinn unlike any they've seen before, utilizing forensic psychiatry, behavior analysis (profiling) and psychological profiles to create a true-to-life take on these iconic characters that is more terrifying than any psychotic fantasy.

KAMI GARCIA DEFINES "CRIMINAL SANITY"

JOKER/HARLEY: CRIMINAL SANITY is unlike any tale of this duo you've read before, so we talked to Kami Garcia to learn more on what she has planned for these two iconic characters.

The Joker/Harley Quinn dynamic occupies a uniquely beloved place in pop culture. What are you looking to explore about their relationship in the story? How will this series surprise fans of the characters?

Harley and The Joker are two of my all-time favorite characters in comics and pop culture. Harley is a fighter and a survivor, and I didn't want to lose those aspects of her character. But I was interested in reframing their relationship.

She's a brilliant psychiatrist and, like real psychiatrists, she has been trained to identify the manipulative tactics of sociopaths and psychopaths. So I wanted to write the version of Harley who would never fall for The Joker's manipulation. In fact, from a forensic psych standpoint, our Joker would become obsessed with her (psychopaths are incapable of love). You'll have to read the series to see how that plays out.

What can you share about working with the book's two artists–Mike Mayhew and Mico Suayan–and how they split the visual narrative of the series?

Mico and Mike are both incredibly talented. Mico has been attached to the project for almost a year. I stumbled on his work for *Werewolf By Night* and *Bloodshot*, and I knew he would be the perfect artist for the gritty present-day sections of the narrative featuring Harley as a profiler, consulting on visually arresting crime scenes. And, of course, he lends that rough edge to The Joker.

Mike's work on *Mary Jane* and *Star Wars* immediately hooked me. We needed someone for the sections of the narrative that tell the story of Joker's evolution as a psychopathic killer, which means the artist had to be exceptional at drawing children and teenagers, as well as adults. The detail in Mike's work and his ability to capture nuanced emotions in a single expression is perfect. Mike is also drawing some of the present-day narrative.

Following TEEN TITANS: RAVEN, what's it been like changing gears for CRIMINAL SANITY–and writing a serialized comics series rather than a graphic novel?

Switching from young adult subject matter to something much darker and more adult isn't hard for me. But going from writing a graphic novel to serialized comics is a challenge. Writing serialized comics is such an art. My editors, Molly Mahan and Kristy Quinn, are amazing. I was also lucky enough to get advice from Brian Michael Bendis and Tom King early on.

It's clear this is a much more grounded take on The Joker and Harley than seen before, touching on the real world of criminal profiling and forensic psychology. What kind of research helped shape this story?

I've always been fascinated with origin stories–following the breadcrumbs someone left behind to figure out how their past shaped the person they are now. If the breadcrumbs were left by a serial killer, the question for me becomes: How does a person become a monster? And no monster is more interesting than The Joker.

This isn't the first time I've written about serial killers, so I've done a lot of research over the years...but the level of authenticity in CRIMINAL SANITY is way above my pay grade. My friend, Dr. Edward Kurz, MD, has consulted on the project with me for two years. We talk daily. Ed is a forensic psychiatrist and behavior analyst (profiler), who was personally trained by the late Roy Hazelwood, co-founder of VICAP, the FBI's program to profile serial killers, and an original member of FBI's Behavioral Science Unit (BSU). He trained under, and worked for, Dr. Fred Berlin, Jeffrey Dahmer's defense psychiatrist. He is also a consultant to domestic and international law enforcement. Ed's input has been invaluable in making sure this story is as true to life as possible.

THE JOKER: KILLER SMILE #1

written by **JEFF LEMIRE**

art and cover by
ANDREA SORRENTINO

variant cover by
KAARE ANDREWS

Everyone knows The Joker doesn't have the most promising history with psychotherapists. In fact, no one's even been able to diagnose him. But that doesn't matter to the confident, world-beating Dr. Ben Arnell; he's going to be the one to unravel this unknowable mind. There's no way The Joker could ever get through the therapeutic walls Ben has built around himself. Right? There's no way The Joker's been entering his house at night...right? There's no way The Joker has stood over his son's bed, and put that book in his hands, the one with the, the, the...

The Eisner-nominated creative team of Jeff Lemire and Andrea Sorrentino (GREEN ARROW, *Gideon Falls*) reunite for a psychological horror story where nothing is as it seems, your eyes can't be trusted and Mr. Smiles is waiting behind the basement door.

Wait, who's Mr. Smiles?

JEFF LEMIRE FLASHES HIS "KILLER SMILE"

THE JOKER: KILLER SMILE is an all-new and truly terrifying look at The Joker. We talked with writer Jeff Lemire about why he wanted to take on the Clown Prince of Crime and reteam with GREEN ARROW collaborator Andrea Sorrentino.

Given the stature of the character, there has to be some intimidation that comes with telling a Joker story. What aspects of The Joker did you want to explore? What shaped your take on him?

I've written a lot on the DC Universe in the past, but I have never really had a chance to write any of the Batman related characters, so this opportunity was very exciting for me. Aside from Batman himself, of course, Joker is probably the most iconic character in that corner of DC. But I didn't really feel intimidated by it, really just excited to try and do something new and fresh and put our own spin on the character, while still celebrating all the great Joker stories that have come before.

In terms of what Joker stories I looked to for inspiration, it really came down to three specific books. Of course KILLING JOKE is the greatest and most iconic Joker story, and its influence cannot be ignored. But I also reread Brian Azzarello and Lee Bermejo's JOKER and the Steve Englehart and Marshall Rogers run in DETECTIVE COMICS.

It's exciting to see you reteaming with Andrea Sorrentino for this story–what made him the right collaborator for KILLER SMILE?

Andrea and I have developed a really great chemistry since our first project together, which was our run on GREEN ARROW for DC. Since then we've continued to grow and experiment as a creative team, both at Marvel and currently with our creator-owned series, *Gideon Falls*.

The aspect of Joker that interested me the most was his influence on other people: how his madness can spread and infect and reshape the world around him. Andrea is the perfect artist to take that concept and bend the visual reality of the book to express it in new and exciting ways.

Let's talk about the other major character in the story, Dr. Ben Arnell–how is he so (clearly misguidedly) confident he can diagnose The Joker?

Ben is a great guy. Nothing wrong with good ol' Ben Arnell. He'll be totally fine, I promise. Chances are good Ben will succeed in treating Joker's madness, and the story will have a very happy ending for all. Really.

Or...Or. Ben Arnell could be the reader's gateway into terror and insanity, and a whole world of mayhem like nothing Gotham City has ever seen.

Do other familiar DC characters beyond The Joker play a part in KILLER SMILE?

They sure do. You can't have The Joker without his favorite dancing partner, can you? But The Joker is the focus of this book. Any other DC characters are there in support of telling a really great Joker story.

THE LAST GOD
BOOK I OF THE FELLSPYRE CHRONICLES
PHILLIP KENNEDY JOHNSON • RICCARDO FEDERICI • DEAN WHITE

THE LAST GOD #1

written by **PHILLIP KENNEDY JOHNSON**
art by **RICCARDO FEDERICI, DEAN WHITE and JARED BLANDO**
cover by **KAI CARPENTER**
variant cover by **RICCARDO FEDERICI**

THE LAST GOD tells the story of two fellowships of heroes struggling with the same threat...30 years apart. One group will doom their world, the other must save it.

Thirty years ago, a band of heroes traveled beyond the borders of creation and killed the last living god, saving the realm of Cain Anuun from an apocalyptic army of the undead. The legendary companions became the rulers of their world and ushered in a new era of peace and prosperity. But it did not last.

Now the foul legions of the Last God march once more, laying waste to all of Cain Anuun and revealing that the aging fellowship may not be the great heroes they claim to be. With the world burning down around them, a new group of unlikely champions must band together and accomplish what no other has done: kill the Last God, once and for all.

THE LAST GOD: BOOK ONE OF THE FELLSPYRE CHRONICLES is a high-octane, no-holds-barred dark fantasy epic from writer Phillip Kennedy Johnson (*Lost Sons of America, Warlords of Appalachia,* AQUAMAN) and artist Riccardo Federici (DARK NIGHTS: METAL, AQUAMAN), featuring additional work from Kai Carpenter (BOOKS OF MAGIC), Dean White (ALL-STAR BATMAN, *Uncanny X-Force*) and Jared Blando (*Dungeons & Dragons*).

This issue will ship with two covers. Please see the order form for details.

PHILLIP KENNEDY JOHNSON INTRODUCES THE LAST GOD

In THE LAST GOD, Phillip Kennedy Johnson, Riccardo Federici, and Dean White have created a vast high fantasy world from the ground up–and infused it with "all-in horror." We talked with Johnson about the deep world-building of THE LAST GOD, and bringing the worlds of fantasy, horror, and comics together.

It's a conspicuous time for high fantasy in pop culture–what does it mean to you to bring the genre to DC with THE LAST GOD?

The opportunity to bring high fantasy to DC Comics is a huge honor, and one I don't take lightly. I know plenty of people who love *Game of Thrones, Stranger Things, World of Warcraft, Magic: The Gathering*, but who might not see themselves as fans of comics, at least not of superhero stories people immediately associate with comics. THE LAST GOD is my chance to bring new fans into the comics community, and maybe even introduce some hardcore comics fans to high fantasy.

You've described LAST GOD as equal parts horror and fantasy. What is it about horror and fantasy that works so well together?

The fantasy genre is an insane playground with no rules...you can ride a crazy idea as far as your imagination will take you, which makes it perfect for horror. But despite that, truly all-in horror/high fantasy mash-ups are rare, and I don't think I'm the only one who wants one. In every fantasy series I ever read, the scary parts were always the most fun, and I always wanted to see more. I want an alternate future of Westeros where an aging Kingslayer leads a mismatched team of psychos into a frozen King's Landing to assassinate the Night King, Cersei the Night Queen, and his own White Walker child, the undead Prince of Westeros. These are the kinds of stories we're telling in THE LAST GOD.

The visuals for this are stunning – what's it been like collaborating with Riccardo Federici and Dean White in bringing Cain Anuun to life?

If DC gave me free rein to choose any penciller and any colorist in the world for THE LAST GOD, I would have chosen Riccardo Federici and Dean White. Riccardo has perfect instincts for both fantasy and horror, and his imagination and technique are unparalleled. Meanwhile, Dean has a surgeon's understanding of anatomy, and everything he colors has this incredible hand-painted look to it. Every book I've read with either Riccardo or Dean on the team has been elevated by their involvement. Having them together on the same book makes me want to elevate my own work, to help the team make a book that readers remember for years to come.

People are already excited about exploring the LAST GOD lore even further–how much will backmatter like maps play into the overall package?

We want readers to dive as deep as they want into the lore of Cain Anuun, to the point that gamers will be able to create their own campaigns in Cain Anuun. Every single issue will include pages of backmatter at the end, specifically for lorehounds like myself. If you finish the latest issue, and wonder why this one Eldritch Knight's armor was different from everyone else's, or you want to know more about that creepy Northern religion that got mentioned, or wish you could read Aelvan musical notation...you'll find material in the back that explores all of that and much more.

For even more on the world of Cain Anuun, we have a printed sourcebook coming out after the first arc. We've already recorded in-world music that we'll be sharing online periodically, complete with sheet music for people who want to play or sing it themselves. I've never read a comic that took worldbuilding as far as we are on this series...if that's something you're interested in, do not miss THE LAST GOD.

THE SANDMAN UNIVERSE PRESENTS: HELLBLAZER #1

written by
SI SPURRIER

art by
MARCIO TAKARA

cover by
BILQUIS EVELY

variant cover by
DECLAN SHALVEY

The second year of the Sandman Universe begins with the long-awaited arrival of one of DC's most iconic characters...John Constantine, Hellblazer!

He's cheated death and damnation more times than he can count, but never like this. Long ago, in the crucible of a magical war waged across countless futures, Constantine was murdered by an all-powerful adversary: a twisted version of Timothy Hunter, bloated with evil.

But over the past year strange forces have conspired to restart Tim Hunter's tale, and somehow–amid sorcery, insanity and secret agendas–this older, wiser, wilier shade of Constantine has been dragged back with it. Unlike young Tim, John remembers every second of a life that went very, very wrong. Now he must ask himself why he, the last person in the world to deserve a second chance, has been given one. Is John Constantine here to put Tim Hunter on the right track and avert a terrible outcome? Or is it because he's the only person in existence with the guts to do what REALLY must be done? After all, he's a nasty piece of work, chief... ask anybody.

This oversize one-shot sets the stage, and is the perfect jumping-on point, for a new era of Sandman Universe tales beginning in November...and is the official start of the strangest chapter yet in John Constantine's long life!

SUPERMAN SMASHES THE KLAN #1

written by
GENE LUEN YANG
art and cover by **GURIHIRU**
variant cover by **KYLE BAKER**

The year is 1946, and the Lee family has moved from Metropolis' Chinatown to the center of the bustling city. While Dr. Lee is greeted warmly in his new position at the Metropolis Health Department, his two kids, Roberta and Tommy, are more excited about being closer to their famous hero, Superman!

While Tommy adjusts to the fast pace of the city, Roberta feels out of place, as she tries and fails to fit in with the neighborhood kids. As the Lees try to adjust to their new lives, an evil is stirring in Metropolis: the Ku Klux Klan. When the Lee family awakens one night to find a burning cross on their lawn, they consider leaving town. But the *Daily Planet* offers a reward for information on the KKK, and their top two reporters, Lois Lane and Clark Kent, dig into the story.

When Tommy is kidnapped by the KKK, Superman leaps into action–with help from Roberta! But Superman is still new to his powers–he hasn't even worked out how to fly yet, so he has to run across town. Will Superman and Roberta reach Tommy in time?

Inspired by the 1940s Superman radio serial "Clan of the Fiery Cross," Gene Luen Yang (*American Born Chinese, Boxers and Saints,* THE TERRIFICS, NEW SUPERMAN) presents his personal retelling of the adventures of the Lee family as they team up with Superman to smash the Klan.

TALES FROM THE DARK MULTIVERSE: BATMAN: KNIGHTFALL #1

written by **SCOTT SNYDER and KYLE HIGGINS**

art by **JAVIER FERNANDEZ**

cover by **LEE WEEKS**

Don't miss this twisted tale from the pages of the game-changing event "Batman: Knightfall"! Thirty years after Bruce Wayne was broken and failed to take back the mantle of the Bat, Jean-Paul Valley, now known as Saint Batman, has turned Gotham into the city of his dreams. In his new order, killing has become commonplace and criminals live in constant fear—all in the name of justice. But just when all seems lost, a new hope for Gotham City rises...the son of Bone!

written by
JEFF LOVENESS

art by
BRAD WALKER and ANDREW HENNESSY

cover by
LEE WEEKS

The Dark Multiverse takes on the highest-selling comic book event of all time–the Death of Superman! In a broken world much like our own, Lois Lane, twisted by rage and grief, becomes the Eradicator and takes revenge on those who let Superman die, and the corrupt world he could never defeat. Now, with the power of a god, she's going to end the battle by any means necessary...and the Reign of the Supermen will be over before it begins!

100-PAGE COMIC GIANTS!

100-PAGE COMIC GIANTS!

DC GIANTS COME TO COMICS SHOPS!

Previously available only in mass-market outlets, the DC Giants will relaunch beginning in September with the SCOOBY-DOO 50TH ANNIVERSARY GIANT #1–and now they will be available in comics shops as well as elsewhere!

These titles combine brand-new stories with classic reprint material, and make excellent and affordable introductory titles for young readers, new readers and lapsed fans who want to jump back into reading comics!

Also, these giants will be available to comics shops with brand-new cover art! This art, along with full contents for each issue, will be revealed before each title's Final Order Cutoff date.

***Important note:** These titles will be available with reprint cover art in mass-market outlets before they go on sale in comics shops with new cover art!*

BATMAN ANNUAL #4

written by
TOM KING

art by
LEE WEEKS and JORGE FORNÉS

cover by
LEE WEEKS

In this new annual, it's two unique stories by BATMAN mastermind Tom King! First, King reteams with Lee Weeks, his collaborator on the Eisner-nominated BATMAN/ELMER FUDD #1 to send the Caped Crusader into space in search of the rare element he needs to save a life on Earth. But what terrible gauntlet of tyrants and monsters will he have to go through to reach his objective? Then, it's back down to Earth and the grimy streets of Gotham City as King and acclaimed newcomer Jorge Fornés task the Dark Knight Detective with a dangerous case only he can solve.

ROBERT VENDITTI

art and cover by
EDDY BARROWS

Uncle Sam is mad as hell, and he's not going to take it anymore! As revolution takes the nation by storm, the spirit of America is running through Uncle Sam's veins as strongly as it ever has, and he's going to use that boost to take on the whole Nazi army! But is this power and the aid of the Freedom Fighters enough to liberate his great nation and end the Nazi regime for good?

written by
STEVE ORLANDO

art by
AMANCAY NAHUELPAN

cover by
PHILIP TAN

Melmoth's attack on Gotham City has immediate consequences for the denizens of Monster Town, and the losses suffered by Frankenstein and the other monsters have suddenly made this very, very personal. It's up to Frankie to convince his cohorts that they need to band together against this common threat, lest all of Gotham–nay, the Multiverse!–fall to the might of his old master. But before they can do that, they must first answer the question: Who is the Red Phantom?

NIGHTWING ANNUAL #2

written by
DAN JURGENS

art by
TRAVIS MOORE

cover by
DAN JURGENS and NORM RAPMUND

The bullet that shattered Nightwing's life was the shot fired by the KGBeast in the now-infamous BATMAN #55–and it changed the course of Dick "Ric" Grayson's career. Gone were the memories and alliances that once defined him, replaced by a near blank-slate persona.

Now go inside those early moments of Ric's new life, his strained reunion with a stranger named Bruce Wayne and an entire life turned upside down. But amid the chaos lies opportunity...not for Ric, but for an old foe who's been waiting a lifetime for a moment like this. Echoes of the past return in a story that tees up Nightwing's own Year of the Villain!

CATWOMAN #17

written by **JOËLLE JONES**
art by **JOËLLE JONES**
acetate cover by **DAVID FINCH**
variant cover by **ALBERTO VERANDA**

Selina Kyle reconnects with her criminal roots, but to be Gotham City's top thief again, she has to take out the boss. Using the gift given to her by Lex Luthor, she finally has the key to everything Raina Creel wants–and Catwoman is going to get it first. Which all sounds dandy in theory, but Creel has come too far and put up with too much humiliation from Catwoman to let her win again. It's a Year of the Villain showdown, but who here is the baddest baddie?

THE FLASH #82

written by **JOSHUA WILLIAMSON**
art by **RAFA SANDOVAL**
acetate cover by **GUILLEM MARCH**
variant cover by **KAMOME SHIRAHAMA**

"Rogues Reign" part one! The speed force is dead, doom has gripped the earth, and the FLASH lives in a nightmare! Powered-up by Lex Luthor's offer, Captain Cold led his team of Rogues to ultimate victory over Central City. Through the might of Mirror Master's amplified abilities, the rogues have reshaped reality itself into their own kingdoms of cruelty - Heat Wave's volcanic territory, Weather Wizard's floating armory of the elements, and at the center of it all, the icy castle of Captain Cold. But with the villains stealing the show, why is the greatest threat to their reign one of their own?

ABSOLUTE FOURTH WORLD BY JACK KIRBY VOL. 1 HC

written by **JACK KIRBY**

art by **JACK KIRBY, VINCE COLLETTA and MIKE ROYER**

new cover by **RIAN HUGHES**

For the first time, DC collects Jack Kirby's legendary run of the Fourth World titles in oversized Absolute editions! These comics spanned galaxies, from the streets of Metropolis to the far-flung twin worlds of New Genesis and Apokolips, as cosmic-powered heroes and villains struggled for supremacy, and the world-conquering Darkseid adventured across Earth for the deadly Anti-Life Equation. Collects SUPERMAN'S PAL JIMMY OLSEN #133-145, FOREVER PEOPLE #1-6, NEW GODS #1-6, MISTER MIRACLE #1-6, plus extra features.

SUPERMAN: ACTION COMICS VOL. 1: INVISIBLE MAFIA TP

written by **BRIAN MICHAEL BENDIS**
art by **PATRICK GLEASON and YANICK PAQUETTE**
cover by **RYAN SOOK**

A new power called the Red Cloud has taken over the city's underworld, and it's like nothing Superman has ever faced before. As he chases down the story, his mind is preoccupied by the absence of his wife Lois Lane and their son Jonathan–leaving the Man of Tomorrow vulnerable to the mysterious new villain of today! Even with all his power, can the Man of Steel stop what's coming for his family and his city? Collects ACTION COMICS #1001-#1006–the perfect start to an all-new era of Superman!

ON SALE **11.06.19**
$17.99 US | **160** PAGES

SUPERMAN: YEAR ONE HC

written by **FRANK MILLER**

art and cover by **JOHN ROMITA JR. and DANNY MIKI**

From legendary team of writer Frank Miller and artist John Romita Jr. comes a groundbreaking, definitive treatment of Superman's classic origin story. This story details new revelations that reframe the Man of Steel's most famous milestones–from Kal-El's frantic exile from Krypton, to Clark Kent's childhood in Kansas, to his rise to become the most powerful and inspiring superhero of all time.

TEEN TITANS GO!: WEIRDER THINGS TP

written by **DEREK FRIDOLFS, SHOLLY FISCH, AMANDA DEIBERT and others**
art by **DEREK FRIDOLFS, ERICH OWEN, SANDY JARRELL and others**
cover by **DARIO BRIZUELA**

When Robin catches Starfire, Raven and Cyborg making paper airplanes, he warns them that they're dangerously close to unlocking "The Deadliest Art": origami. Then, the Titans are shunned by social media elites when a bad after-action photo reveals them as "Posers." Can they finalize a successful stance in time to defeat their next great menace? Collects issues #31-36.

ON SALE **11.13.19**

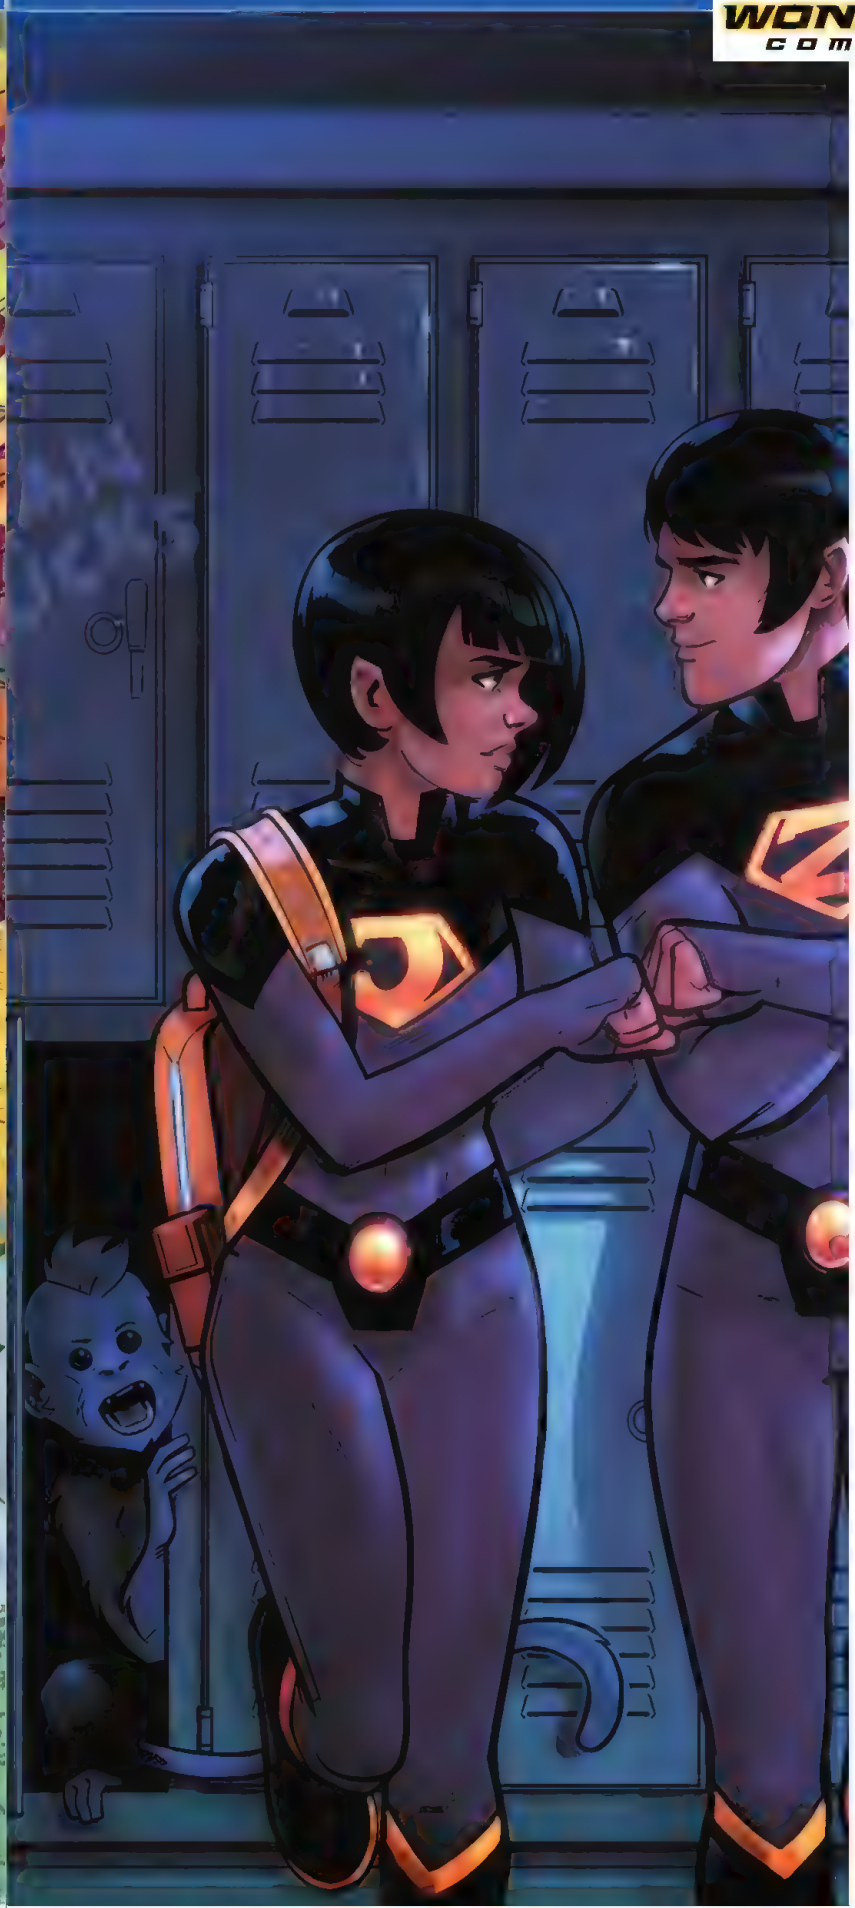
WONDER COMICS



WONDER TWINS VOL. 1: ACTIVATE! TP

written by
MARK RUSSELL

art and cover by
STEPHEN BYRNE

Exiled from their home planet, alien heroes Zan and Jayna must navigate life as teens on Earth at South Metropolis High School, where they're even bigger outsiders than the normal awkward young adult. Under the watchful eye of Superman, the brother and sister pull monitor duty at the Hall of Justice as interns, while also trying to overcome the pitfalls of Zan's brash confidence and Jayna's shy but streetwise personality. If you think you know the Wonder Twins, think again–this book takes the form of the unexpected! Collects WONDER TWINS #1-6.

ON SALE **11.13.19**
$16.99 US | **160** PAGES

BATMAN ROGUES GALLERY MULTI-PART STATUE: THE PENGUIN

sculpted by
CHRIS DAHLBERG

The second evil rogue to join DC Collectibles' multi-part Batman Rogues Gallery statue series is The Penguin. Shown with his iconic umbrella, top hat and monocle, The Penguin glides along the rooftops of Gotham City, happily plotting against Batman. This statue can be displayed on its own, or teamed with the rest of the rogues in the multi-part statue line coming out in 2020.

- Limited to 5,000 pieces and individually numbered
- Statue measures 9.14" tall
- Allocations may occur
- Final product may differ from image shown

ON SALE **MARCH 2020**
$90.00 US

*EACH STATUE SOLD SEPARATELY

*THE JOKER, HARLEY QUINN, MR. FREEZE (NOT SHOWN) AND DEADSHOT (NOT SHOWN) WILL BE AVAILABLE LATER THIS YEAR!

DC COLLECTIBLES

BATMAN BLACK & WHITE: BATMAN BY DOUG MAHNKE STATUE

designed by
DOUG MAHNKE

sculpted by
PAUL HARDING

DC Collectibles presents the 99th statue in its BATMAN BLACK & WHITE line: Batman by Doug Mahnke. This gravity-defying statue features Batman in mid-leap with his grappling gun at the ready. The BATMAN BLACK & WHITE line wouldn't be complete without this statue, which showcases Mahnke's extensive work on Batman from the early 2000s.

- Limited to 5,000 pieces and individually numbered
- Statue measures approximately 7.3" tall
- Allocations may occur
- Final products may differ from images shown

ON SALE **MARCH 2020**
$90.00 US
